## TUNA BY PLANEAT

Planeat Tuna is an ideal vegan addition to dishes and a source of unsaturated fatty acids and protein. Its unique flavor is built on peas and a composition of precisely selected ingredients, including spices and algae oil. It contains added vitamin B12 and iron, making it even more nutritious!

**POLISH DEBUT**

## **JOPEJSKIE BEER**

This is a historic Gdansk beer from the Middle Ages, associated mainly with Jan Hevelius. Arkadiusz Wenta, founder of AleBrowar, worked on recreating the recipe of the Jopejskle beer for 16 years, including with the support of a team from the Pomeranian Science and Technology Park.

FOREIGN DEBUT

## FREEKEH

The history of Freekeh is more than 2,000 years old, and like many inventions it came about by chance.

The green wheat grains are toasted in a fire and refined. In addition to their unique taste, they have a number of pro-health properties. It's worth a try.
